

HOW TO SIGN UP FOR YOUR SECOND DOSE OF THE COVID-19 VACCINE

Congratulations on getting your first dose! You have made an important step to protecting yourself and the greater community against COVID-19! Now you need to **sign up for your second dose!** These instructions should be a step by step guide, but **if anything is confusing or you have questions please ask one of the volunteers.**

1. Either:
 - a. Follow this link: <https://www.maimmunizations.org/>
 - OR
 - b. Open the camera app on a phone or tablet that can access the internet, and use the **camera** to scan the following QR code:

- How to scan with a QR code: Point the camera towards the screen without taking a picture, a link will appear at the top, press this link
2. Once the website loads, press the blue button that says “Phase_##_Clinics”
3. Fill in the two questions at the top of the page as “**Vaccination**” and “**Adult**”, then filter options by date.
 - a. If you have received the **PFIZER** vaccine, please sign up for a date approximately **3 weeks** from your first dose date
 - b. If you have received the **MODERNA** vaccine, please sign up for a date approximately **4 weeks** from your first dose date

4. DO NOT input address or location information
5. Press the **Search** button
6. Once the screen reloads, scroll downwards and look for availability at the **Worcester Senior Center** for the day you selected. Look for "**Available Slots: ###**".
 - a. If there are available slots, press the following **blue button**.
 - b. If there are no available slots, return to the top of the page, and repeat steps 4-7 with a different date until you reach 7a
7. Once you have selected the day and a new website has loaded, fill in the forms. If you have any questions, ask
 - a. One of the forms asks for you to input a photo of your insurance card, please press "Insert Photo" and then "Take Photo". Take a photo of the front and back of your card and place it respectively in the spots indicated.
8. The second to last form, select a time that you would like to return for your second dose. If there are no slots available or that you can make, then select "**Choose another site**". This will redirect you to the first form, where you should follow the instructions for 4-7 with a different date. This will save all of your information so you do not need to re-input anything
9. Review your selection and press **submit**
10. Check your email for confirmation
11. You did it! Now, feel free to sign up for V-Safe or to leave us feedback (other side of this paper) about how we can make the vaccination process better

Once again, we thank you for receiving your vaccination today and we look forward to seeing you again in 3 or 4 weeks!
